Dry Season Concert TONIGHT

We are all very excited about our Dry Season Concert tonight where countries from around the world will rock the stage.
The school council will be selling food from 4.30-5.30pm outside the Afterschool care room.
Please do not take food into the undercover area or remove chairs from the undercover area. Thank you for your cooperation in this matter.
The concert will begin at 6pm sharp in the school assembly area, we hope you can join us.

School survey

Nakara Primary School would like to hear what you think about your child’s experience at the school.
Your response will help the school identify what is done well and how the school can improve.
If you have more than one child at this school, you are welcome to complete a survey for each child in the school. If completing just one survey, please do this with your eldest child at the school in mind.
The survey is confidential and anonymous and will take around 10-15 minutes to complete.
Please follow the survey link and enter the Survey Access Code when prompted.

Professional Development Day

The School Council has approved the application for a student Pupil Free Day on the 23 September to review the School’s curriculum plans and align it to the work of the School Improvement Plan. The application has been sent into the Department and we will inform you when the day has officially been approved.

Teaching in the Territory Excellence Awards

Nominations close on the 19 August. This is a perfect opportunity to celebrate the amazing people that work within this school. If you know someone who deserves recognition for teaching excellence, or a support person, then nominate them now...

Excursions

Children taking responsibility for their learning is an invaluable lifelong skill we are trying to instill in our children. As part of this, returning notes by a due date is critical. We will be enforcing the due date printed on notes. Students who do not return their notes by the cut-off date will not be able to go on the set excursion.
