I thought it was time to remind and inform everyone of the Behaviour and Wellbeing processes at Borroloola School.

All members of the school community are expected to respect the following rights:
- The rights of all people to be treated with respect and dignity
- The rights of all students to learn
- The rights of teachers to teach
- The rights of all to be safe.

Green
For students who are excellent in class or work hard, they can receive a green “fantastic” card and go to the office to receive an award. They can also use their green card to receive an icy-pole at the canteen on Friday.

Blue
Students who attend every day of the week earn a blue card, which they can use to receive a treat, at the Canteen.

Yellow
If a student is displaying negative behaviours in class they are verbally warned in class and reminded of the rules. If the behavior continues the teacher can choose whether to warn the student again or put them in an in-class timeout / cool down area (such as a reading corner or quiet space). If the student is still not responding they receive a yellow card and are sent to buddy class for a period of time decided by the class teacher.

Red
If the student returns and is still not responding, is disruptive in buddy class or their behavior is severe or violent eg. fighting or swearing in class, they can receive a red card and be sent to the office to the Principal or Assistant Principal or Home Liaison Officer.

The student may:
- Be sent to the office and kept out of class until behaviour improves
- Be taken home and spoken to by the H.L.O. or Principal with family
- Be excluded from any school activities
- Be Suspected
- Be referred to the School Council or Police

Graeme Matthews—Principal
The students in Miss Cheryl’s class 1/2A have enjoyed learning of the Anzac Landing, our Anzac Heroes and making poppies for remembrance.
The story of Simpson and his Donkey was followed by a session of colouring a picture of them. There are some very well done renditions of the famous pair.

All classes participated in the message leaves that were incorporated into the wreath laid at the Dawn Service.

VET STUDENTS WELDING WITH A PURPOSE

Senior VET students Bryce, Alex Jitendra and Joel are back in the workshop and honing their skills in preparation for the design and construction of two mini grandstands being made for the Borroloola Amateur Race Club, who will place them on the lawns beside the Arena for spectators to use at Rodeo time.

The materials for this project are funded by a Justice Department Grant to the BARC.
Students across the School have been learning about the ANZAC’S history, traditions and have written personal messages of thanks and memorial on paper leaves incorporated into the wreath from the Borroloola School, laid at the Dawn Service by teachers Pauline Coop and Kathleen Middleton.

Messages on the leaves ranged from the classic “Lest we forget” to simple and heartfelt expressions of thanks for laying their lives on the line in defence of our country and for our freedom that we enjoy today. The wreath was composed of 4 different colours each with a representative aspect. Green and Yellow stood for Australia and the orange represented our Primary Students with the Blue representing our Secondary Students. Combined into the wreath this made a striking tribute to our Anzacs and showed the recognition and appreciation of our students for the ANZAC tradition.

“Reading With Babies”

This is a book created by Maria Pyro featuring members of the community. The book tells how important reading with your children is and not just for mums, but for dads and grandparents too. Copies have been donated to the library and community organizations around the town.

The photos are beautiful and show happy children learning and being with family.

Well done Maria!
Please **do not** send more than $10 per child for canteen purchases.

**HEALTHY FOOD IN SCHOOLS**
- NO SOFTDRINKS
- NO LOLLIES
- NO JUNK FOOD

*EAT WELL, BE ACTIVE AND BECOME STRONG*
