Dear Parents, Families and Community Members

For those of you who I have met, thank you for the warm welcome to the Leanyer School community. I have absolutely enjoyed being a part of such a great learning community over the last two weeks. I look forward to meeting more and more of you as the term progresses.

This week I had the privilege to participate in engaging and differentiated reading lessons. Teachers are working to ensure students learn a range of reading strategies to support their reading.

The first Hip Hop and Drama afternoon went off with a bang! 28 children enjoyed an afternoon of exciting movement with Miss Sara Gagliardo. Thank you to everyone who registered. Both Hip Hop and Drama are at capacity can cannot take any new registrations.

Regards
Lisa Foster
